President's Report

Hi everyone!

Wow, the summer is gone! The kids are back in school, and we have only a couple of diving-related outings remaining for the year. Both of them are always good outings, so make your plans now to attend the Lake Travis Outing on September 18–20 and the Underwater Pumpkin Carving Contest at The Blue Lagoon on October 24–25.

As I have mentioned in the last two President's Reports, October is the time for nominating members of the Diving Rebels Scuba Club's Board of Directors. All board positions are open for nominations; for information about the duties of each officer on the board, see the article on Board of Directors Nominations in this edition of the newsletter.

Our club is 93 members strong, and I urge you to consider running for a position on the Board of Directors. We all have busy lives, but we can also find time to volunteer to continue making the Diving Rebels Scuba Club the best dive club in Texas. It won't take much of your time, and you wouldn't be expected to be at every outing. So think about **HOW YOU CAN MAKE A DIFFERENCE** in the club by serving on the Board of Directors.

The board has noticed a decrease in the number of people volunteering to coordinate outings, be meal coordinators, serve on the Board of Directors, and in general to assist with the organization and functions of the club. We looked back at when this dip in volunteering occurred and noticed that it started after the DRIFT Points program was eliminated. For those of you unfamiliar with that program, DRIFT stands for **D**iving **R**ebls **I**nite **F**requent **T**ogetherness. The program allowed club members to earn Diving Rebels DRIFT points for organizing, coordinating, and participating in club activities and rewards for accumulating those points at the end of the year. The Board of Directors is taking a look at reinstating the DRIFT Points program for 2016 in an effort to spark more participation from club members. The board is reviewing and revising the points process and will be presenting the revised program to the membership in either October or November.

I challenge all Diving Rebels to step up your participation in the club by not only attending our organized outings but also volunteering to coordinate outings, events, and meals and being a member of the Board of Directors. Don't leave planning all of the outings of the club to only a few people—help plan those outings yourself!

Thanks.

Danny Bouska

Lake Travis Outing: Windy Point Park

After several years of lacking water and requiring a very difficult climb to even get to the water if one dared to do so, Lake Travis is pretty much back to normal! Join the Diving Rebels on **September 18–20** at **Windy Point Park** as the club returns to Lake Travis for a weekend of diving and fellowship.

Jeffrey Bennett is coordinating the outing and is planning a weekend of camping, diving, a raffle, and a meal share; he's going to provide sausage, peppers, and onions; hot meatball sandwiches; and cold meats and is asking for those attending to bring some sides or maybe deserts.

Windy Point Park, 6506 Bob Wentz Park Rd., Austin, TX 78732, is one of the top diving "hot spots" in the Central Texas area. Recognized by divers and diving instructors from all over the state, the park offers a wealth of items to find, explore, and seek out in Lake Travis. Divers will find boat wrecks and unique metal sculptures of a scuba diver, a sea turtle, a shark, and a manatee along with other interesting objects, including some small boats, a larger sailboat, a Pinto, and more! Six platforms are available to use for training.

Divers with advanced training and experience can enjoy diving a deep underwater canyon wall, plunging to depths well over 100 feet. You should dress warmly, however; the temperature at that depth can differ 30 degrees from that on the surface.

For specific information about the Windy Point site, including an underwater map and directions to the park, see the park's website at <http://www.windypointpark.com/default.asp>. The following is a summary of the most pertinent details.

If you have any questions about the outing or want to volunteer to be a meal coordinator, please contact **Jeffrey Bennett** at activities@divingrebels.org.

Chinese Auction

The Diving Rebels Scuba Club will hold its traditional Chinese Auction during the **October 7** membership meeting.

What is the Chinese auction? Well, it's time for the circus to come to town! The Chinese auction is not only the biggest Diving Rebels fundraiser but also one of the most entertaining of our monthly meetings.

The way the auction works is this: we have a live auction for donated gifts. What makes the auction special is that the items being auctioned are wrapped and unknown to the audience. What is being auctioned might be a dive computer, fins, boxes of Girl Scout cookies, or just about anything else. **BUT REMEMBER**, the item must be new and of a minimum value of \$25. Think of it this way: you should donate an item that you would actually want yourself.

After you win an item by high bid, you have the choice of either keeping the item or forcing a trade for whatever item was won before yours. The kicker is that you have to decide to trade or not to trade before you unwrap your item. The previous bid winner may have won the bid for a dive knife that you want. If you trade, you'll trade off your wrapped item for the dive knife not knowing what you traded away. You know that you'll get the dive knife, but what did you give up for it? Maybe it's a wet suit; maybe it's a new dive computer or even a Caribbean trip. As trades can only go back to one previous round, the bid winner before you will unwrap whatever you swapped him. He cannot have it taken away nor can he force a swap for any other previously auctioned items.

Your item, whether you swap or not, may be taken from you by the next winning bidder. You also must unwrap and disclose your item to the group. If some of this doesn't make sense, don't worry—it will be explained again at the October meeting.

What we ask you to bring is a new item with a minimum value of \$25 that will be usable by the winner. (Not many people need a box of a/c air filters or 10 paving stones). The item should be wrapped in a nondescript wrapping—newspaper or paper bags are quite acceptable. Think about things you can talk your employer into donating or things you got two of for Christmas. **BUT THE ITEM MUST BE NEW AND SOMETHING THAT YOU WOULD LIKE TO HAVE YOURSELF!**

If you want to win a bid on an item, bring some \$\$\$\$ as the competition sometimes becomes quite fierce, the banter hilarious, and the items worth the effort it takes to win them!

Nominations for the 2016 Board of Directors

Each year at the October membership meeting, which this year is on October 7, nominations for the various Diving Rebels Scuba Club Board of Director positions are accepted. Club members are urged to participate by running for a position and thereby provide valuable input into the continued growth and excellence that the Diving Rebels club has come to represent.

Listed below are the board positions and a brief summary of the duties of each position. Per the club by-laws, to be eligible to serve on the Board of Directors, a member must have been a member in good standing and have attended at least three (3) meetings and three (3) club dive outings between January 1 and the October meeting, inclusive.

Board meetings are held on the third Wednesday of the month at 7:00 pm, but the meeting time or date may be changed if a quorum cannot be present at the originally scheduled meeting. Though serving on the Board of Directors does require a little extra time each month, service can be very rewarding and is invaluable to the Diving Rebels Scuba Club as a whole.

The Board of Directors consists of the President, Vice President, Secretary, and Treasurer corporate officers; the Activities Director; and two General Directors (the Junior and Senior Board Members).

Duties of Officers and Board of Directors

1. The President shall be the principle executive officer of the Corporation and shall preside at all the meetings of the membership and the Board of Directors. He may sign, with the signature of any other Officer of the Corporation authorized by the Board of Directors, any contracts or instruments that the Board of Directors may authorize him.
2. The Vice-President shall serve in the place of the President in his inability, absence, or refusal to act. He shall also serve as New Member Coordinator and is responsible for furnishing new members with such materials that are provided for by the initiation fee.
3. The Treasurer keeps an accurate record of the Club's financial affair and make reports to the membership and the Board of Directors when called upon to do so.
4. The Secretary shall keep minutes of all meetings of the membership and the Board of Directors in books provided for that purpose; shall see that all notice are duly given in accordance with the provisions of these Bylaws or as required by law; shall be the custodian of the corporate records and of the seal of the Corporation and see that the seal of the Corporation is affixed to such documents as necessary and perform such other duties as assigned to him by the President of the Board of Directors.
5. The Activities Director will have the following duties and responsibilities: Be aware of all club activities so that members can have a source of information. Attend club and board meetings. Organize dive outing coordinators. With the Officers, organize committees necessary for club activities. Maintain and inventory club owned equipment and be responsible for keeping track of members' use of the equipment.

6. The General Directors (Junior and Senior Board Members) shall attend meetings of the Board of Directors representing the general membership of the Club and provide continuity. The Junior Board Member is responsible for the 50/50 Raffle and collecting the fine from members not wearing Rebel Wear at the Membership Meeting along with other duties, which may be assigned by the Board. The Senior Board member is not an elected position, but one to which the Junior Board Member rolls. This was designed to keep at least one Board Member from the previous board if an entirely new board were to be elected. The Senior Board Member is responsible for Rebel Wear sales and ordering.

The Diving Rebels Scuba Club belongs to its members, and the Board of Directors is the voice of the membership. The board can assist with directing the club and steering it toward continued growth and prosperity, but the members are who make it strong. The Diving Rebels have become known throughout the United States and particularly in Texas as a very active dive club, and that is because of the dedication and passion for scuba diving of its members. If you are interested in one of the board positions or have any questions about what serving on the board involves, please feel free to contact any current member of the Board of Directors.

Underwater Pumpkin Carving Contest: The Blue Lagoon, Huntsville

Join Outing Coordinator **Danny Bouska** and other members of the Diving Rebels Scuba Club at **The Blue Lagoon** on **October 24–25** for an early Halloween, and be hidden away in the haunting piney woods just north of Huntsville, TX, off I45. For over 20 years, the eerie lagoon has served the divers of Texas with aqua blue bodies . . . of water, carving (training) platforms, mysteriously sunken boats, and miscellaneous ghoulish items. There is primitive camping if you dare, an onsite air station, concessions, and ice.

The entrance fee for divers and nondivers is \$17.00 per day. There is no fee for children under 10 who are accompanying a diver. For children under 10 who are not accompanying a diver, the entry fee is \$5. **Anyone under the age of 18** must be accompanied by a parent or a scuba instructor to enter the facility. (ID is required to show proof of age.)

The Blue Lagoon opens at 8:00 am on Saturday, October 24, and Sunday, October 25. Camping is also available on Friday night, October 23. The gates close at 10:00 pm on Friday. Come out Friday night or on Saturday, spend the day or the weekend, camp out under the stars in the haunting piney woods, or grab a hotel room in nearby Huntsville!

Tentative Times for Events on Saturday, October 24

8:00 am	“Spooky” Campsite Decorating (ongoing all day) Diving, Diving, Diving
1:00 pm	Pumpkin preparation starts
3:00 pm	Underwater Pumpkin Carving Contest
6:30 pm	“Spooky” Campsite Decorating judging
7:00 pm	Presentation of awards
7:30 pm	Spooky movie under the stars!

If you want to camp, your entry fee allows you to camp overnight, but there is a two-day minimum fee; if you arrive on Saturday and leave on Sunday, the fee is \$34.00. Note that The Blue Lagoon does not allow pets. Porta-Potties are scattered throughout the property.

There will be a meal share for Saturday lunch and dinner. For those of you not familiar with a “meal share,” the cost of the two meals is added together and divided by the number of participants; each participant pays that share. You are responsible for providing your own drinks.

Air fills are \$8.00, and rental tanks are \$14.00. If you need other gear, check The Blue Lagoon’s website at www.bluelagoonscuba.net.

We need to know if you’re coming to make sure that we have plenty of food! Sign-up sheets will be available at the September and October membership meetings. If you are unable to attend the meeting but want to participate in the outing, please email Danny Bouska at president@divingrebels.org, or call him at (817) 381-5051. Let him know when you will be arriving; how many people are in your group; if you will be camping, staying in Huntsville, or making a day trip; and if you are participating in the meal share. You can also use this email address and phone number if you have any questions about the outing.

Directions: Take I45 south from Dallas/Ft Worth toward Houston. Take Exit 123 approximately 7 miles north of Huntsville, and turn left (east) at Farm to Market Road 1696/Pinedale Road. Continue to follow Pinedale for approximately 4 miles. The Blue Lagoon entrance will be on the left.

Underwater Pumpkin Carving Contest Rules

Bring your own pumpkin, any size you wish. All pumpkins must be checked in upon arrival at our camping area at The Blue Lagoon. **DO NOT** pre-clean/gut or pre-draw/trace your pumpkin before check-in at The Blue Lagoon. Pumpkins will be marked at check-in and held in the “Pumpkin Patch” until it’s time for the carving. There will be three categories for the contest: (1) Scariest, (2) Ugliest, and (3) Best Design.

1. **At 1:00 pm**, you may pick up your pumpkin from the “Pumpkin Patch.”
2. You will have two hours to gut your pumpkin (on land) and trace your design by pencil or marker if desired. No precutting of the pumpkin of any kind, except to remove the top for gutting, will be allowed.
3. **At 3:00 pm**, buddy teams will enter the water and begin the underwater carving of the pumpkins.

NOTE: The Blue Lagoon is permitting us to have the underwater pumpkin carving contest with the understanding that **all pumpkins must be gutted and cleaned before being taken into the water**. Not gutting and cleaning the pumpkin before entering the water will result in an automatic disqualification, and divers must also clean up any mess made by the guts.

4. Divers must practice safe diving; therefore, you must have a buddy and cannot enter the water by yourself. Each member of the buddy team may carve his/her own pumpkin.
5. Carving must be done on the platform.
6. No weights can be used to assist in submerging or holding down the pumpkin on the platform.
7. Any type of knife can be used for carving.
8. Divers must surface with no less than 500 psi in their tank (safe diving practice).
9. All carved items must be caught in some kind of bag and removed from the lagoon.
10. Each buddy team will be required to check in and out of the water.
11. If you need to abort the dive prior to finishing carving your pumpkin, you may retrieve your pumpkin and continue the contest later.
12. All pumpkins to be judged must be returned to the “Pumpkin Patch” by **5:00 pm**.

Fun and Sun: Athens Scuba Park Outing Report

Gena (Natho) Richerson

Before I discuss the outing, I'd like to give a special "Thank You" to **Calvin and Shannon Wilcher** of Athens Scuba Park for their hospitality and for donating close to \$175 worth of prizes to our outing.

On Saturday August 15, over 25 Diving Rebels, one Scubadillo, and one nondiving (but soon to be certified) guest gathered at Athens Scuba Park for a day of fun and diving. To start the day, we hid 14 paint-splattered golf balls in the water for a whole day of treasure hunting for the balls. If you found a ball, you won a prize!

While several people were hunting for the colored golf balls and doing some fun diving, others enjoyed an underwater Navigation Race. **John Richerson** and I set up a somewhat diamond-shaped course in the water to navigate. The race was a timed run, and each buddy team was responsible for collecting a token from a bag at the bottom of each float to prove that it had hit the target. Five groups ran the course, three of which actually finished. One group completely missed the first float, ended up on the other side of the lake, and decided to make their dive a fun dive instead. (I won't mention names!)

Before breaking for lunch, **Steve Ogden** and his buddy **Vic Eizenga** (Dillo member) led the Navigation Race with a time of 16 minutes 50 seconds. After lunch and the completion of the Snorkel Race, one last team ran the course, **Evelyn Capps** and **Kim Hinton**. They didn't have the prettiest navigation run of the day, but they managed to stay together and stay on course and finished with a time of 12 minutes 58 seconds. With that fine time, **Evelyn Capps** and **Kim Hinton** took first place honors in the Navigation Race, while **Steve Ogden** and **Vic Eizenga** came in second. Third place honors went to **Darrell Barabash** and **Mark Smith**.

About an hour or so after lunch, we held a Snorkel Race. Five guys, **Jeff Bennett**, **Darrell Barabash**, **Steve Ogden**, **Travis Wells**, and **Vic Eizenga**, and one girl, **Connie Griffin**, entered the event. To complete the event, everyone had to swim around a yellow donut float and return to the starting point using their snorkel. First place went to **Travis Wells**, second place went to **Darrell Barabash**, and third place went to **Steve Ogden**. **Connie Griffin** won for the ladies.

Big Winners at Athens!!

For our Treasure Hunt, out of 14 golf balls hidden, only 5 were found by our club members. It seems, though, that some balls were recovered by non-outing divers in the water. Our Treasure Hunt winners were **Darrell Grainger, Jeff Bennett, Travis Wells, Mark Stonebridge, and Jeff Nelson.**

The Athens outing was a fun and exciting day for everyone. I want to personally thank all of the attending Diving Rebels for making this event so much fun! Thank you!
